

Sponsorship Opportunities

Building on the Legacy of SIDS4 , The Sustainable Design Impact Hub hosted by the Council on Sustainable Fashion and Design of Grenada happens on **August 15-18 in Grenada.**

The hub aims to foster dialogues on climate solutions with a specific emphasis on small business owners and the creative economy, yielding a heightened awareness of SIDS climate vulnerabilities and fostering tangible outcomes and partnerships.

We are excited to offer the opportunity to partner with CSFDG on this inaugural event.

CSFDG HQ Renovation: Your donation will support the renovation of CSFDG’s headquarters, transforming it into a vibrant and sustainable space for education, workshops, and innovation. Help us create a biophilic environment that fosters creativity and collaboration.

CSFDG Couturier Program: Donate to the CSFDG Couturier Program, which teaches Alta Moda fashion and design skills to Grenadian designers, empowering them to create high-quality, sustainable fashion products. Your contribution will support skills training, materials, and resources for local designers, fostering economic empowerment and innovation.

CSFDG Bees Program: Support our CSFDG Bees program, which engages youth ages 8-16 on the topic of sustainability through hands-on activities and educational workshops. Your donation will provide resources and materials to inspire the next generation of eco-conscious leaders.

CSFDG Mentorships: Contribute to our CSFDG Mentorships program, which pairs emerging entrepreneurs with experienced mentors to develop skills in product development, e-commerce solutions, and sustainable design. Your donation will help us provide valuable guidance and support to aspiring entrepreneurs.

Your donation to any of these programs will make a meaningful impact and help us further our mission of promoting sustainability and empowering communities in Grenada and beyond. Thank you for your support!
